Puffs under the eyes; red nose; pimple-orched, greasy face don't mean hard drink-Pulls under the eyes; red nose; pimple-blotched, greasy face don't mean hard drinking always as much as it shows that there is BILE IN THE BLOOD. It is true, drinking and ever-esting overloads the stomach, but failure to assist nature in regularly disposing of the partially dignated lumps of food that are dumped into the bowels and allowed to rot there, is what causes all the trouble. Cascarets will help nature help you, and will keep the system from filling with poisons, and clean out the sores that tell of the system's rottenness. Bloated by bile the figure becomes unshapely, the breath foul, eyes and skin yellow; in fact the whole body kind of fills up with filth. Every time you neglect to help nature you lay the foundation for just such troubles. Cascarets will carry the poisons out of the system without gripe or pain. Start to-night—one tablet—keep it up for a week and help the liver clean up the bowels, and you will feel right, your blood will be rich, face look clean, eyes bright.
